* Certificates of Completion issued by the district

** Limited English Proficient (LEP)

Highlights

The School District completed a four year building and renovation plan with the move of Central Office from the old Junior High to the Middle School. The building plan for the district started in 2002 with the passing of a facility levy and included remodeling 4 elementary schools, building a new high school and remodeling the old high school into a 6th 7th and 8th grade Middle School. The districts alternative school, Riverside High School is scheduled to move from a rented facility to the old Junior High building in June of 2006.

Technology growth and advancement continues to be a priority in the district.

The District started the District Strategic Plan for continuous improvement. Each building continues to move forward with their building school improvement plan.

The District successfully completed its first year with the four day school week.

Progress Towards Meeting Goals

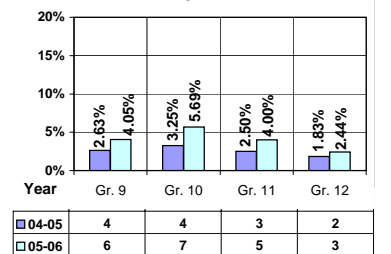

2005-06 Goals	Progress
Central office needs to be moved.	Central office was moved Aug. 2006.
The Budget needs to be balanced.	After 6 years of deficit, the budget was balanced after a 40 acre view property land sale.
Riverside High School needs to move.	In June of 2006 Riverside High School will move to the old Junior High Building, which will provide 8,300 square feet of educational space. This move is necessary for a growing alternative school and will be based on school owned property.
School improvement plan.	The district continues to make progress with the school improvement plan.

Note: Rank represents how this district compares to the other public school districts in the State of Idaho; high to low (1 being the highest).

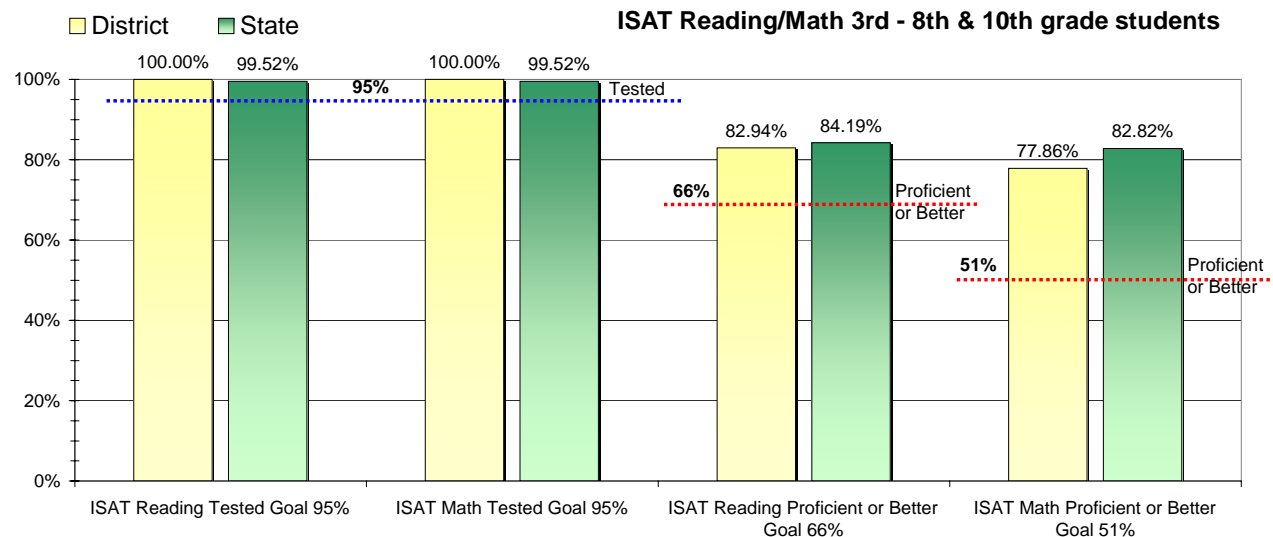

Adequate Yearly Progress and Assessment : 2005-06

Did Boundary County District make Adequate yearly progress for 2005-06? Yes

Percent of the 41 targets that Boundary County District made: 100%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.

More Information is available at: <http://www.sde.state.id.us/admin/ayp05/default.asp>

To Protect the privacy of individual students the following symbols are used.

^ No participation determinations are made for groups of less than 10 students. The participation rate of students in this group is included in district and state totals.

~ No proficiency determinations are made for groups of less than 34 students. The proficiency level of students in this group is included in district and state totals
